Hi Andy—

Don't want to bombard you on this matter...but I'm also looking at getting a copy of the Sugerland contract.

Andy,

We would like to put a public records request for copies of the contract with mid America sound and the contract from previous years. We also wanted to see if you have pictures of past stages and if we can talk with the commission controller and have an audit of the bills paid to mid America.

Thanks,
Anne Yeager

Sorry for the late notice, Andy. Anything would be appreciated.

Mr. Andy Klotz:

I am sending you a message, per your request. I wanted a copy of the transcript that was supposed to have been read Saturday.

Also, is there anything in the 9-step plan that talks about lightening and making a decision based on that? People have said there was a heavy volume of lightening in the area. My question is why wasn't a decision made based on that?

Sincerely:

Marisela Burgos
